Lone Star Officers Club

Chartered in 1956

MOAA is the nation's largest and most influential association of military officers. It is an independent, nonprofit, politically nonpartisan organization.

Who we are

MOAA was founded in Los Angeles, Calif., on Feb. 23, 1929. The first leaders of the association hoped that by joining together they could provide assistance and advice to other military officers. This concern for others fostered natural fraternal relations among members from all branches of the uniformed services. By the beginning of World War II, MOAA's leaders realized that they needed to reorganize and expand to become an effective force on behalf of their members.

After a membership vote in September 2002, the association changed its name from The Retired Officers Association (TROA) to the Military Officers Association of America (MOAA), on January 1, 2003.

Today, MOAA has grown to a membership of more than 370,000 members and is the country's largest military officers' association. MOAA's purpose also has grown to include career transition assistance, improved member products, military benefits counseling, educational assistance to children of military families (to include enlisted), and strong involvement in military professionalism activities.

Membership is open to active duty, National Guard, Reserve, retired, and former commissioned officers and warrant officers of the following uniformed services: Army, Marine Corps, Navy, Air Force, Coast Guard, Public Health Service, and National Oceanic and Atmospheric Administration. Auxiliary memberships also are available for surviving spouses of deceased officers.

Why Should you join our ranks?

In addition to representing your interests before Congress, MOAA offers a wide range of personal and financial services exclusive to MOAA membership. Whatever the stage of your career, your MOAA membership delivers benefits geared specifically to you – and your family. From active-duty service through retirement, MOAA can help you make the most of your career as an officer.

When you join MOAA, you become part of the strongest advocate for our military's personnel and their families. The stronger our membership is, the stronger our voice becomes. Consider joining today because every voice counts.

Lone Star Officers Club, Inc. Established in 1956

The Lone Star Chapter was chartered as a regional chapter of MOAA in 1956. Lone Star has been awarded MOAA's highest honor... designation as a 5-Star Chapter...multiple times. Our Chapter includes members from the Greater Fort Worth and Dallas areas and all surrounding counties. The geographical diversity of membership has provided greater insight into ways to better serve the membership at large.

Chapter activities generally include monthly business and board meetings, with served dinners and entertainment. Included in our social activities are special outings and our gala/formal Christmas Dinner/Dance.

We call NAS/JRB Fort Worth our home. We currently meet at the Diamond Oaks Country Club on the third Wednesday of each month. On occasion, we participate in joint affairs with other area Chapters.

We publish a monthly newsletter, PARADE, to keep members apprised of national and state issues, Chapter affairs, upcoming events and other important information. We also maintain an active Personal Affairs Liaison function to assist members, family members and surviving spouses when required.
